

TO: Maine Dept. of Environmental Protection  
Air Toxics and Emissions Inventory Program

SUBJ: Certification of Non-Reporting Status for Facility with Hazardous Air Pollutants

I, \_\_\_\_\_, certify under penalty of applicable Maine statutes,  
(your name)

that \_\_\_\_\_ located in \_\_\_\_\_:  
(facility name) (city or town)

- Did not emit to the air any chemical or compound at or above the threshold listed in 06-096, Chapter 137, Appendix A;
- Did not use, process or manufacture any chemical or compound at or above the threshold listed in 06-096, Chapter 137, Appendix A;
- Did not release to a publicly-owned treatment works (POTW) any chemical or compound at or above the threshold listed in 06-096, Chapter 137, Appendix A which has a vapor pressure greater than 0.1 mm Hg; or
- In the aggregate, did not emit to the air or release to a POTW any chemical or compound at or above thresholds listed in 06-096, Chapter 137, Appendix A.

Certifying the above, I also declare that \_\_\_\_\_ is not subject to  
(facility name)

air emissions reporting for Calendar Year 2005 under Maine law, 06-096 Chapter 137,  
"Emission Statements."

Air Toxics and Emissions Inventory Program  
Maine Dept. of Environmental Protection  
17 State House Station  
Augusta, ME 04333-0017

☐ Check this box if you would  
like to remove your facility from  
the emissions inventory mailing list.  
(Note: Eliminating future mailings does not eliminate  
future reporting liability. Facilities should contact DEP  
should they have a significant change in work processes.)
